A message from the CEO

Thank YOU!

We appreciate being thought of while you were researching on your best career options. This Prospectus is just a guide on what courses we have to offer with relevant details. However, for an in-depth knowledge and to establish your best choice contact us for more information or any questions you wish to ask!

You are just a number at TrEd but part of a culture that we will work on together to transform the industry

TrEd College

Thank you for looking at TrEd Healthcare College as a possible option for your future studies!

[TrEd Website](#)

Reading the entire prospectus can seem like a big enough task, so our team has put together a summary of all relevant information so that you can make an informed decision. For any additional information do not hesitate to contact our relevant team members that can assist you in navigating and choosing the best course for you! To be successful in these careers, you will need to be a compassionate and caring person who communicates well. You will have to have a real desire to work in the health care sector empowering those you serve and yourself as you get ahead in your career.

Exceptional Courses

We are continuously improving our courses as per the industry through consultation and have the following to offer thus far:

- Nursing
- Dental
- Child protection
- Child Care
- Individual Support
- Pathology
- Business and Management
- Applied Blockchain

Your needs matter to TrEd College, so if you have any additional feedback or need support please do contact the relevant team member for a tailored solution!

Nutan Srivastava

More about us

Locations:

Sydney - 17 Khartoum Road, Macquarie Park New South Wales 2113

Canberra - 26 Mort Street, BRADDON, Australian Capital Territory 2612

Adelaide - Level 7/50 Grenfell St, Adelaide SA 5000

We are passionate about empowering and educating people with our accredited courses in Health Care, Childcare and Emerging Technologies.

Our team members are highly experienced and knowledgeable which enhances the learning experience of all learners. All our courses have practical Experience as part of the course which leads to excellent employment outcome.

All our courses are industry led and in tune with current Australian employment market and skill shortage.

Our network of some of Australia's largest and most trusted healthcare service providers gives our students access to some of the most advanced and recognised resources in the country. As a student at TrEd College, you will have access to these organisations for academic support, in-course vocational placement and practical experience. The skills and networks that you develop will create a career pathway that will put you on the road to success and fulfilment in your professional life.

Our mission

TrEd College mission is to empower and educate people to build their careers, contribute to economic development, and change lives for better .

Our objectives

In recognition of this mission, our objectives are:

- People. We strive to attract, recruit and retain talented, competent and committed trainers. We promote excellent performance through leadership and professional development.
- Safety & equality. We are committed to providing an environment which is safe, equitable and which promotes a confident and productive training and assessment environment.
- Integrity & ethics. We conduct ourselves in accordance with shared and agreed standards of behaviour which holds ethical conduct and integrity as our highest priorities.
- Quality committed. We aspire to deliver consistent, high quality services and apply quality systems which support training and assessment excellence.
- Learner Focused. We thrive on providing training and assessment that is learner focused and which supports lifelong learning.

HLT37215 CERTIFICATE III IN PATHOLOGY COLLECTION

CRICOS course code: 099231M

This qualification reflects the role of pathology collectors. Workers in this role follow known routines and procedures, taking responsibility for their own work under general supervision. They combine communication, customer service and technical skills and use discretion and judgement to adapt and transfer their skills to different situations.

Relevant Information

SERIOUS ABOUT SAFETY

This program is exclusive to TrEd College and will help you stand out from your fellow graduates. TrEd College is committed to creating safer environments. Our Serious About Safety program has been created with leading industry experts and focuses on seven potential risk areas; Personal Safety, Fire Safety, Car Safety, Cyber Safety, Water Safety and Rescue, First Aid, CPR, Asthma and Anaphylaxis.

PATHWAYS TO UNIVERSITY

A TrEd Diploma qualification can get you a step closer towards a Bachelor Degree at an Australian University. You may receive academic credit for up to one year of your university degree with one of our partner Universities, some including guaranteed and direct entry. Alternatively, apply directly to a university of your choice. A Diploma qualification will give you a university rank of 82. Visit our website for a current list of partners and articulation offers.

PACKAGED COURSES

Our course packaging has been designed to combine and enhance students' skills and knowledge and reinforce their professional development in the Health and Care Industry. Course packaging is available across each discipline of study, to meet a range of career goals and based on skills and skill shortages recognised by industry. Course packaging pricing takes into consideration credit for common units (credit transfers) between qualifications.
