

TC VET Student Loans – Tuition Protection Procedure

1. Purpose

VET Student Loan (VSL) tuition protection arrangements provide support and protections for VSL students in the event their private education provider defaults (ceases delivering their course or closes entirely).

This procedure aims to ensure that TrEd College will perform required actions in relation to VSL provider default or if requested to become a replacement provider for displaced students

This procedure applies to VSL students only. Fee For Service students who made up-front payments can find more information on Australian Skills Quality Authority (ASQA) website at [https:// www.asqa.gov.au/students/provider-closures](https://www.asqa.gov.au/students/provider-closures).

2. Policy

2.1 What Constitutes a Tuition Protection default?

A default occurs when a provider either:

- fails to start a course or part of a course on the day on which it was scheduled to start, and the student has not withdrawn before that day or
- ceases to provide a course or part of a course after commencement but before completion, and the student has not withdrawn before that day.

2.2 Student eligibility for Tuition Protection

VSL students studying with TrEd College are eligible for tuition protection. If there is a suitable replacement course available, eligible VSL students will be assisted to continue their studies with a replacement provider. Where there is no suitable replacement course, eligible students will be provided with a re-credit to their HELP balance. This re-credit will be for tuition fees paid for the original course or parts of the course, which were not completed due to TrEd College's default.

2.3 TrEd College obligations if it defaults

Within 24 Hours of default:

- Give written notice to the VSL Tuition Protection Director of the circumstances of the default.
- Notify students enrolled in the course, in writing, the course is no longer being provided
 - o TrEd College will send the student notice to the student's personal email address as shown on the student management system
 - o TrEd College will specify in the student notice:
 - the name of the course, or part or parts of the course the student was enrolled in at the time of the default
 - the date of the default
 - advise of a website specified by the VSL Tuition Protection Director where the student can get further information about tuition protection.

- the student's full name and contact details
 - the course, or part or parts of the course, the student was enrolled in at the time of the default
 - the amount of the tuition fees for each course, or part of the course, the student was enrolled in at the time of the default
- details about the payment of those tuition fees, including the amounts that are covered fees
 - whether the student was studying part-time or full-time
- the mode of delivery of the original course
 - the location where the original course was primarily delivered
- whether the student has withdrawn from the course or part of the course and the date of withdrawal
- any part of the course for which the student has deferred study, the date of the deferral and the date the student is expected to re-commence study
- the completion status for each part of the course the student has enrolled in, including whether the student's status is ongoing, passed or failed
- the name and code of each unit of competency as it appears on the National Register of VET for each part of the course the provider has defaulted in relation to a student

Additionally, as soon as practicable update our website to reflect the course is no longer being provided and to provide tuition protection information.

 - a copy of an authenticated VET transcript prepared by the Registrar (within the meaning of the Student Identifiers Act 2014) for the parts of the course the student has completed.

2.3 TrEd College's obligations as a replacement provider

If requested by the VSL Tuition Protection Director, TrEd College must provide information to assist the Director to make decisions about whether a suitable replacement course exists for displaced students.

If a student accepts an offer of a place in a replacement course, TrEd College must give written notice of the acceptance to the VSL Tuition Protection Director within 14 days of the student's acceptance of the offer.

TrEd College must also:
